MICHIGAN COMPOSTER PROGRAM

Learn all you need to know to be a successful home composter in this three-session class offered by the Muskegon Conservation District.

Why compost? Composting reduces the amount of waste sent to landfills while providing a free source of valuable, nutrient-rich humus for your lawn and garden.

Session 1: September 22, 2009

Composting Fundamentals and Decomposition

Session 2: September 29, 2009

How to Build and Maintain a Compost Pile

Session 3: October 6, 2009

Vermicomposting and Using Finished Compost

Location: Fairfield Inn & Suites (Great Lakes Room),
1520 E. Mt. Garfield, Muskegon, MI 49444

Time: 6:30 pm to 9:00 pm

Cost: \$40.00, includes 3 sessions and materials

To register, please contact:
